Before you travel

If you need to make any changes to your policy, if you need to cancel, or if you notice anything that doesn't look right with your documents, please call One Tree Travel on **01223 785 570**.

If you need medical attention while travelling to a country in the European Union (EU) you should receive inpatient treatment in a public hospital where possible.

Before you travel you should obtain a Global Health Insurance Card (GHIC) prior to travel by completing an application form via <http://www.ghic.org.uk>.

This card allows UK residents and European citizens to benefit from the health agreements between countries in the EU. A UK issued EHIC Card is also still valid and accepted until expiry and can be used in place of a GHIC Card.

If you are admitted to a public hospital, you should present your GHIC or EHIC to the hospital; if you are unable to do so, you must co-operate with the medical assistance department to obtain a card.

Please note, from 1st January 2021 a UK issued EHIC or GHIC is no longer accepted in Norway, Iceland, and Liechtenstein.

How this policy works

Giving us the facts

It's important you give us complete and accurate information at all times. If you don't provide accurate information, we may not be able to pay the claim.

If you notice any information on your medical declaration isn't right, or if your circumstances change, you should tell us straight away. For example, if your medical conditions change after you buy your policy you should let us know by contacting One Tree Travel:

Phone: 01223 785 570

Email: help@onetreetravel.co.uk

This policy covers unexpected events. Claims related to circumstances that you were aware of at the time you purchased this insurance are not covered.

Who is covered

Everyone named on your policy schedule is covered by this insurance policy.

What dates are you covered from and to

If you bought a Single Trip Policy:

Trip cancellation coverage starts from the purchase of your insurance until the day of departure. All other benefits on your policy provide coverage from the day of departure until your return to your permanent residence.

This insurance is valid only when it is purchased before you depart for your planned trip.

If you bought an Annual Multi Trip Policy:

Cover starts on the start date you requested when you took out the policy. This date is shown on your policy schedule. Cover ends one year later and is also shown on your policy schedule.

You are covered for any insured claim event that takes place within the start and end dates of your insurance, subject to the terms and conditions of this policy that are set out in this document.

This insurance is valid only when it is purchased before you depart for your planned trip.

The premium

The premium is the amount the policyholder pays us so we can provide you with this insurance. This includes additional charges to cover existing medical conditions and optional cover.

If you have a pre-existing medical condition

This policy covers claims associated with your pre-existing medical conditions or disabilities you disclosed to us when you bought your policy. They are listed on your policy schedule. Please check that these are an accurate reflection of your health. If there are any issues, please contact One Tree Travel:

Phone: 01223 785 570

Email: help@onetreetravel.co.uk

When we say 'pre-existing medical condition' we mean any condition you declared or should have declared to us based on the medical questionnaire you answered, when purchasing this policy. These pre-existing medical conditions are listed on the medical declaration we issued to you when purchasing this policy.

You must inform us about all pre-existing medical conditions for each person listed on the policy schedule. If you notice anything that doesn't look right or is missing, please contact us using the details below.

If there are changes to these conditions between buying the policy and departing for your trip or during the term of an annual multi-trip policy, you must let us know.

You can do this by contacting One Tree Travel:

Phone: 01223 785 570

Email: help@onetreetravel.co.uk

We won't cover claims associated with pre-existing medical conditions not listed on your policy schedule.

Additionally, we won't cover any medical condition or disability, whether existing or not, if:

1. Your state of health is significantly worse than you told us.
2. You know you will need medical treatment during your journey.
3. One of the purposes of your journey is to obtain medical treatment (including cosmetic procedures).
4. You are not fit to travel on your journey or travelling against the advice of a doctor, consultant, or specialist.

If you are on a waiting list for treatment

If you are awaiting a medical diagnosis for symptoms that you are currently experiencing, we will not be able to provide cover until you have a confirmed diagnosis, unless we have agreed to do so and it is stated on your policy schedule.

If you do have a confirmed diagnosis and are currently on a waiting list for treatment or investigation, this policy will not provide cover for the following sections:

- **Section 1: If you need to cancel your trip**, and
- **Section 2: If you need to cut short your trip**

If you are on a waiting list for treatment or investigation, this does not affect your insurance cover on this policy other than as stated above. So, if you need medical assistance when on your trip for conditions which you have declared to us, or for new conditions that arise, then this policy will provide cover to you, subject to the terms and conditions stated in this document.

Should you become aware of a change in your diagnosis before you travel, please notify us immediately.

Cover for pandemics and epidemics

Your policy covers you if you need to make a claim due to a diagnosis of a disease classified as a pandemic or epidemic by the World Health Organisation (WHO).

You are covered if you need to cancel or cut a trip short because you, a close relative, or a person you planned to travel with contract a pandemic or epidemic disease.

By close relative we mean a partner (who you live with), parent, sibling, child, grandparent, grandchild, aunt, uncle, niece, or nephew.

Please be aware of the following:

- We will require confirmation from a doctor that the condition is severe enough to warrant cancelling or cutting your trip short.
- Trips should not be cancelled more than 2 weeks before the planned departure date.

We will only cover trips cancelled due to contracting a pandemic or epidemic disease if your policy was purchased at least 2 weeks before you cancelled.

Hazardous territories

Before you travel, it's important to check the Foreign, Commonwealth and Development Office (FCDO) website at www.gov.uk/foreign-travel-advice for crucial travel advice, tips, and current information about different countries.

For health-related information and advice by country, refer to the World Health Organisation (WHO) website at www.who.int.

This insurance does not provide coverage for trips booked to certain hazardous territories including Cuba, Iran, Syria, North Korea, Russia, Belarus, Crimea, Sevastopol and all non-government-controlled areas of Ukraine.

We won't cover trips to countries or regions with "all" or "all but essential" travel advisories from the FCDO. You may be able to claim for trip cancellation if the advice is in place 30 days before your departure and wasn't in place when you booked your trip.

Volunteering and volunteer work

You are covered for the following volunteer activities, subject to the terms and conditions of this policy:

- Volunteering, to include participation in community or wildlife-based conservation/project work, when arranged by a professional organisation.
- Charity-based supervised building/renovation projects provided these do not involve the use of plant/trade/industrial machinery.

The below table lists activities that are covered by your insurance, either as standard cover and therefore automatically included, or included on payment of an additional premium. If you intend on participating in an activity on your trip, it must be listed below to be covered by this insurance. Specific terms and conditions for an activity may apply. To request cancellation of your policy, contact One Tree Travel on **01223 785 570**.

Outside of the 30-day cooling off period the following rules apply:

If you bought an Annual Multi Trip policy

Provided no one has made a claim (irrespective of whether your claim was successful or not) on the policy and the policyholder confirms in writing that there is no intention to make a claim, we will refund 5% of the total premium paid for each full calendar month remaining on the policy from the date the policyholder requests the cancellation.

When we might cancel your policy

We may cancel this policy at any time if the terms and conditions in this document aren't followed. If we do, we'll give the policyholder at least 30 days' notice in writing.

What this policy covers

Section 1: If you need to cancel your trip

- You are covered if, before you depart for your trip, you need to cancel your travel, accommodation, and pre-booked activities for one of the reasons below.
- You are covered up to £10,000 per person for trip cancellation.
- An excess of £75 per person will be applied to this benefit. We'll take this off the amount you are claiming for.
- We will pay for the irrecoverable financial loss that results from cancelling your trip. We will only cover the loss that you cannot get back from other providers, for example your credit card provider or airline.
- Lack of enjoyment of a trip or no longer wanting to travel are not covered.
- You are not covered if you wish to cancel because you no longer want to travel for any reason other than those listed under 'Covered reasons for cancelling your trip'.
- You are not covered as a result of not having a valid passport or visa.

Covered reasons for cancelling your trip:

1. Your unexpected death or a serious illness or injury. This also applies to close relatives, a person you planned to travel with or stay with while travelling.

By close relative we mean a partner (who you live with), parent, sibling, child, grandparent, grandchild, aunt, uncle, niece, or nephew.

By unexpected we mean that you had no reason to think this would happen when you booked your trip or bought this insurance.

For injury and illness, you must have a doctor, who is not related to you, confirm your condition is serious enough to require you to cancel your trip. The confirmation must be timestamped, and you must get this confirmation before your trip is due to commence, and it must be issued after your policy begins.

2. In the 30 days before your planned departure date, the Foreign, Commonwealth and Development Office are advising against "all" or "all but essential" travel to your destination.

For this to apply, the travel advice should not have been in place at the time of booking your trip or buying this insurance.

Advice against travel that is because of or related to a pandemic or epidemic is not covered.

3. You or a person you planned to travel with are called for jury service or as a witness in a court of law and this could not be postponed.

This does not apply if you are called as an expert witness or where your employment would normally require you to attend court.

4. Your unexpected involuntary redundancy or the unexpected involuntary redundancy of a person you planned to travel with.
